

Ed Tornielli Winemaker & Owner

Boasting a winemaking history dating from the 1500's, we deliver highly crafted Australian wines while staying true to our Italian origins.

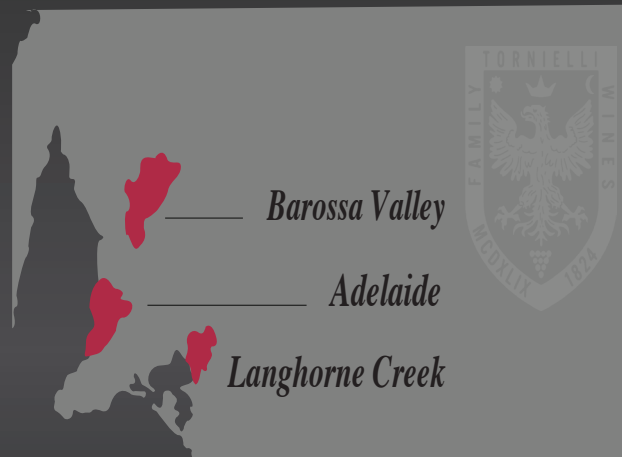

Our wines are a blend of Italian and Australian viticulture. Distinctive notes originating from this process make for a strong yet refined finish.

MCDXLIX The 1449 Collection

Our Varietal range is designed for the everyday occasion.

Winemaking Philosophy

We source the best quality grapes from trusted growers in Langhorne Creek and the world-famous Barossa Valley.

While utilizing Australia's most iconic grape varieties, we integrate century-old Italian traditions with techniques from the New-World.
